

# Family Cycle Ride

Sunday 28th March 2010

Celebrate the start of 'Summer Time'

Gather at the Queen's Park cafe from 2.00pm to depart at 2.30pm for a 4 mile cycle along the Holmebrook Valley Trail, across Ashgate and back along the Hipper Valley Trail.

The ride will take about an hour. All welcome, the ride is mainly on quiet roads but we do cross some busier roads. Some experience of riding on roads would be beneficial for children.

**Chesterfield Cycle Campaign promotes cycle use in Chesterfield for both leisure and utility journeys. By campaigning for a comprehensive network, we aim to improve conditions for cyclists so that cycling becomes a safer and more attractive option than car travel for local journeys.**
